Multimedia networked system detectingcongestion by monitoring buffers ...

US Pat. 5822537 - Filed Apr 5, 1996 - AT&T Corp.

1 and discussed further below, the networked **multimedia** system utilizes an **information retrieval** system 50 to coordinate the accessing of **multimedia** objects ...

Multimedia database for use over networks

US Pat. 5983218 - Filed Jun 30, 1997 - Xerox Corporation

More recently, 20 techniques from **information retrieval** are being used ... for **multimedia** databases to facilitate their use **over** the World-Wide Web (WWW). ...

Information retrieval by natural language querying

US Pat. 6601026 - Filed Sep 17, 1999 - Discern Communications, Inc.

These techniques are powerful for automatically grouping **documents** by their likely ... Examples of sources of audio-visual/**multimedia information** include

...

System for selecting multimedia databases over networks

US Pat. 5920856 - Filed Jun 9, 1997 - Xerox Corporation

More recently, techniques from **information retrieval** are being used for ... no current systems exist that can link **multimedia** databases **over** web sites. ...

Using multiple search engines to search multimedia data

US Pat. 5873080 - Filed Mar 26, 1997 - International Business Machines Corporation

Recently, computers have been used to store, search, and access **multimedia documents** from **multimedia** databases. **Multimedia** is **information** that can contain

...

Hyper video: information retrieval using multimedia

US Pat. 7039633 - Filed Oct 3, 2002 - Verizon Laboratories Inc.

Examples of such temporal **documents** are **multimedia** material such as video and audio ... Filing Date Hypervideo: **Information Retrieval** Using Time-Related ...

Hyper video: information retrieval using text from multimedia

US Pat. 6757866 - Filed Oct 29, 1999 - Verizon Laboratories Inc.

Filing Date Hypervideo: **Information Retrieval** Using ... Examples of such temporal **documents** are **multimedia** material such as video and audio programming,

...

Using meta-descriptors to represent multimedia information

US Pat. 6411724 - Filed Jul 2, 1999 - Koninklijke Philips Electronics N.V.

We have found that **multimedia information retrieval** that uses ... For example, meta-data in **documents** may include format of the images in the document, ...

Method for cost-based optimization over multimedia repositories

US Pat. 5806061 - Filed May 20, 1997 - Hewlett-Packard Company

Finally, the process of querying and browsing over a **multimedia** repository ...

The **information retrieval** community has extensively studied the problem of

...

Accelerating access to wide area network **information** in mode for showing ...

US Pat. 6157930 - Filed Sep 24, 1998 - Acceleration Software International Corporation

The **multimedia information** services include the World Wide Web (WWW). The WWW is an increasingly popular service of the internet. **Documents** accessed over ...
